

○2023 Academic Year Graduate School of Engineering Orentation

Graduate School of Engineering	Major	Date	Time	How to be held	Place
	Materials	5th April (WED)	13:00~14:30	face-to-face meeting	Intelligent Machinery and Systems Laboratory Materials Engineering Laboratory(EN40) Seminer room
	Applied Chemistry (Function)	6th April (THU)	10:00-11:00	face-to-face meeting	Lecture Hall West, 2 F No. 2 Lecture room
	Applied Chemistry (Molecular Biotechnology)	5th April (WED)	13:00~14:00	face-to-face meeting	Open Learning Plaza, 2 F Large Lecture room
	Chemical Engineering	5th April (WED)	13:00~14:00	face-to-face meeting	West 4 Building, 7 F # 7 3 2 (Seminar roomA)
	Mechanical Engineering Hydrogen Energy Systems	5th April (WED)	11:30~12:30	face-to-face meeting It is not necessary to attend Doctoral students, but orientation will be held for both Master and Doctor.	Lecture Hall West, 2 F No. 1 ・ 2 Lecture room
	Aeronautics and Astronautics	5th April (WED)	13:00~14:00	face-to-face meeting	West 4 Building, 7 F # 8 1 6 Aeronautics and Astronauticss Seminar room No. 1
	Applied Quantum Physics and Nuclear Engineering	5th April (WED)	13:00~14:00	face-to-face meeting	West 2 Building, 7 F # 7 0 1
	Naval Architecture and Ocean Engineering	5th April (WED)	16:00~17:00	face-to-face meeting	Lecture Hall West, 3 F No.3 Lecture room
	Earth Resources Engineering 【Master】	6th April (TUE)	10:00~	In person ※It can be changed to online depend on COVID-19 situation,	West 2 Building, 5 F # 5 1 7
	Cooperative Program for Resources Engineering 【Master】	6th April (TUE)	10:00~	In person ※It can be changed to online depend on COVID-19 situation,	West 2 Building, 5 F # 5 1 7
	Earth Resources Engineering Cooperative Program for Resources Engineering 【Exchange Students (Master & Doctor)】	6th April (TUE)	13:00~	In person ※It can be changed to online depend on COVID-19 situation,	West 2 Building, 5 F # 5 1 7
	Civil Engineering	5th April (WED)	13:00~	face-to-face meeting	Open Learning Plaza, 1 F No.5 & 6 Lecture room (OLP Rm. 5&6)
